CELEBRATING GOD'S FAITHFULNESS

July 2018  
Volume 15 , Issue 7

Summer has started off very strong. This new season has given us an opportunity to engage deeper into fellowship and relationship. As we go further into this season we need to continue growing not only as a church, but as a family, and members of the Body of Christ. 1 Corinthians 12:27 "Now you are the body of Christ, and each one of you is a part of it." (NIV). The body should constantly be working toward the will of God. If one part of the body fails, or becomes hindered, then the rest of the body is burdened as well. It is because of this that we should all work in conjunction with each other as a body of believers. Let us strive everyday to strengthen ourselves and the Body.

Continue to pray for KALEO 2018 as the students and staff are in the Dominican Republic doing missions. Donnie Brown, our interim pastor, and Karlee Jones, a graduate from FBC Impact Youth are with this group. God In The Canyon Youth Camp is also underway so continue to prayer for transformation in the lives of all participants.

Continue to pray for the Pastor Search Committee as they continue to seek God's will and the leader God wants to bring to our church.

Always blessed to be the Youth Director,

Jon Chavez
